Department of Mechanical Engineering

Vision & Mission

Vision

The Vision of Mechanical Engineering Department is to build a strong teaching-learning and research environment to prepare well qualified, determined, innovative, inventive and goal oriented mechanical engineers with good entrepreneurial, analytical and soft skills as to compete with ever changing industrial demands and social needs.

Mission

1. **M1:**Providing domain knowledge through qualified, experienced and trained faculties in healthy environment.
2. **M2:**Developing technical skills and creating awareness about needs of industries by encouraging entrepreneurial attitude.
3. **M3:**Encouraging graduates to find solutions of real world problems through project works with professional ethical practices.
4. **M4:**Provide them a platform for professional development and lifelong learning along with awareness of social responsibilities.
